

<p><b>Nomination of exchange students in a mobility for courses/courses and final project</b></p>	<p>Students must <b>define the Learning Agreement with at least 18 credits/ECTS per semester</b> (final project credits excluded) <b>from a PoliTO Degree Course included in the agreement.</b></p> <p><b>If the Degree Course is selected while nominating</b> → the Home University has to first verify the above requirement as such Degree Course cannot be modified afterwards.</p> <p><b>If the Degree Course is <u>not</u> to selected while nominating</b> → students will select it when filling in PoliTO application form and will have to comply with the above requirement.</p> <p>The remaining credits can be chosen also from the entire catalogue as the recommended credit workload per semester is 20/30 (up to a maximum of 36). Final project and Italian language credits are excluded from the above requirement.</p> <p><a href="#">Language requirements</a> are declared by Home University.</p>
<p><b>Nomination of Double/Joint Degree Students</b></p>	<p>Home University has to check that <a href="#">language requirements</a> and the <b>academic requirements</b> (according to what specified in the Double Degree agreement) <b>are already fulfilled.</b></p> <p>The Learning Agreement has to contain only the courses taught in the PoliTO Degree Course of nomination. The selection of these courses must comply with the scheme of mobility and the study plan defined in the Double/Joint Degree agreement.</p>
<p><b>Nomination of exchange students in a mobility for final project</b></p>	<p>Final projects are <b>offered to graduate students only</b> (on their 4<sup>th</sup> or 5<sup>th</sup> year of studies at University). Students have to <b>autonomously find a PoliTO supervisor</b> before submitting the application form. This is <b>compulsory for receiving the acceptance letter.</b></p> <p>Final project credits have to be agreed with the PoliTO supervisor according to the workload necessary at Home University. It is not necessary to refer to PoliTO final project credits options.</p> <p>The Italian University system does <b>not provide a mark for the final project and there is no final discussion at PoliTO.</b> The PoliTO supervisor will provide the student with an official final project evaluation.</p> <p><a href="#">Language requirements</a> are declared by Home University.</p>
